

Exotics intake questionnaire

Reptiles/Chelonians

Basics

- Pet's name:
- Species:
- Age/DOB:
- Sex: Male/Female/Unknown
- Where did you obtain your pet?
- Is your pet wild caught or captive bred?
- How long have you had your pet?
- Have you had this species of pet before?

Husbandry

- What type of enclosure is your pet in and rough dimensions?
- Do you use a hygrometer (humidity meter) and what are the humidity levels kept at?
- How do you maintain the humidity (misting, humidifier...etc)?
- How is the enclosure heated (light, heating pad, rock)?
- Do you use thermometers?
- What is the temperature gradient at night? During the Day? Basking spot temperature?
- Do you use a full spectrum UVB bulb and what kind?
- How often do you replace your UVB bulb and when was the last time this was done?
- How long are the lights on/off (day/night)?
- Any other bulbs in the enclosure?
- Does your pet spend time outside of the enclosure? If yes explain:
- What is the substrate your pet is on?
- What is their water source?
- Are there any plants/bushes/sticks/climbing structures?

- Is there a hiding area? If so what kind?
- Any other reptiles or pets in the same enclosure? If so what kind?
- Any other pets in the house? Do they interact?
- Any new changes at home?
- How often do you clean their enclosure?

Diet:

- Please describe your pet's diet (vegetables, beans, fruits, greens, insects/calcium dusting?/ gut loading?, small rodents (live or dead), any treats?
- Are they on any vitamins/supplements-brand/what kind, and how often?
- How often do you offer food?
- Where do you feed them? In a separate enclosure?

Medical

- Do you soak or bathe them?
- Do they have any seasonal behavioral changes?
- Have they ever had any medical issues to your knowledge?
- Have they ever laid eggs or given birth?
- How often do they defecate?
- How often do they shed (if applicable)? When was last shed? Any problems in past?

Today's visit

- What are your concerns today if any?
- Any other misc comments?

Exotics intake questionnaire

Aquatic Pets (water turtles, fish)

Basics

- Pet's name:
- Species:
- Age/DOB:
- Sex: Male/Female/Unknown
- Where did you obtain your pet?
- Is your pet wild caught or captive bred?
- How long have you had your pet?
- Have you had this species of pet before?

Husbandry

- What type of enclosure is your pet in?
- What are rough dimensions?
- Do you use a hygrometer (humidity meter) and what is the humidity levels kept at?
- How do you maintain the humidity?
- How is the enclosure heated (light, heating pad, rock)?
- Do you use thermometers?
